# MOHAMMAD FAIZAN ATIQ

UX & UI Enthusiast, Front-End Web Developer, Full Stack Designer & Graphics Designer

## About Me

Web designer & developer by profession, graphics designer and digital artist by hobby. I follow every project through a complete software development cycle.

I have over 5 years of professional experience. I specialize in .NET Technologies, Adobe Packages, HTML5, Javascript/ JQuery, CSS3 and many other techs.

Passionate to read and write about user experience, human psychology and interaction design of every day things.

I also have strong hold on website & mobile app layout designs, corporate branding , banner design, brochure design & mascot design.

I am a knowledge hungry enthusiast who loves to learn new tools everyday and implement them.
