MOHAMMAD FAIZAN ATIQ

Graphics Designer, Web Developer & Software Engineer

About Me

I am a Web Designer & Developer by profession and a Graphics Designer by hobby. I have around 4 years of professional experience specialized in .NET Technologies, ADOBE Packages, HTML, Javascript/JQuery, CSS and others. I follow every project through complete software development cycle. As a Graphics designer, I have a strong hold on Website layout, Corporate Branding & designing, banner design, Brochure design and Character Concepts. As a Web developer I have strong grip on Upcoming web technologies both server and client based.
I am a Knowledge hungry Enthusiastic who loves to learn new concepts and implement them.
